OUR SERVICES

POOL SAFETY FEATURES

Includes perimeter fences around the pool area (with appropriate latching and locks), pool alarms, safety glass, and safety covers.

PHYSICAL CONDITIONS OF POOL

Check the pool finish to ensure the interior appears uniform, smooth, and free of stains, streaks, or other types of discoloration.

CONDITION OF EQUIPMENT AND POOL OPERATION SYSTEMS

Check equipment to ensure it is working properly and the presence of any leaks that need to be fixed before the sale.

EQUIPMENT INFRASTRUCTURE AND YARD CONDITIONS

Ensure there are no leaks in the yard and that electrical lines are placed properly.

ADDITIONAL DESIGN AND CONVENIENCE FEATURES

Check automatic pool covers, diving boards, decorative lighting/water features, and advanced sanitizing technology are all working properly.

MAINTENANCE & REPAIRS

We also offer general pool maintenance and repairs for homes on the market.
